**S.C.R. 21
REQUESTING THE FORMATION OF A TASK FORCE ON
NORTH ROAD MANAGEMENT.**

Senate Committee on Transportation

The Department of Transportation (DOT) **supports** this resolution to organize a task force and report on recommendations on safety improvements and management of North Road to the Legislature.

With respect to the involvement in this matter, the DOT has no jurisdiction of North Road; therefore, the City and County of Honolulu would be the more appropriate entity to form a task force and make recommendations. However, the DOT would be happy to be a part of the group and provide recommendations.

Thank you for the opportunity to provide testimony.

Comments:

I support SCR 21: Request the formation of a task force on North Road Management. This road needs to be maintained, illegal dumping needs to be controlled and cleaned up and ownership obligations and issues need to be resolved.
